VIBE CURATOR: SOULFUL, GLOBAL, AND SEXY

HOUSE | AFRO HOUSE | MELODIC HOUSE | INDIE DANCE | ORGANIC HOUSE | DEEP HOUSE | DOWNTEMPO

Shalman is an Indonesian-Malay-American DJ and producer whose sound moves between house, afro house, melodic house, and indie dance. With roots in San Francisco and deep ties to Bali, Costa Rica, and Austin, he builds globally informed, dance-floor-driven sets that blend hypnotic percussion, soulful vocals, and driving basslines into cohesive, genre-fluid journeys. Over the past five years he has played 200+ shows, from festival stages at Burning Man, AfrikaBurn, Envision Festival, Medicine Festival, and Bali Spirit Festival to independently headlined dance events that sell out 300+ capacity rooms.

THE ARTIST

SHALMAN

DJ, PRODUCER, CURATOR

Shalman plays for the dance floor first. His sets move from deep, sensual grooves to bright, uplifting peaks, reading the room and building toward the moment everyone came for. He is equally at home on a festival main stage, in a club, at a boutique gathering, or leading an intentional dance floor at a wellness retreat.

In addition to his solo artist project, Shalman has teamed up with his friend Nova Wolf, a talented electronic singer/songwriter/producer, to create JAGWOLF, a hybrid live duo project that has taken the world by storm in 2026, playing dance floors all over the world. Together they are producing new tracks and will be generating plenty of new music in 2027.
